The updated coding system has brought clinicians very interesting (and, admittedly, slightly humorous) diagnostics entries.

As the weather cools, the last leaves fall off the trees and tables get packed with food and family, it’s a good time to take a look at some of those codes that will have doctors and patients prepared (for anything) this year.

**DINNER DANGERS**

- **CODE: W61.43XA** Pecked by a turkey
- **CODE: W29.0XXA** Contact with powered kitchen appliance, initial encounter
- **CODE: F10.92** Alcohol use, unspecified with intoxication
- **CODE: T18.120A** Food in esophagus causing compression of trachea, initial encounter
- **CODE: T28.0XXA** Burn of mouth pharynx, initial encounter

**FAMILY FEUDS**

- **CODE: Z63.1** Problems in relationship with in-laws
- **CODE: Y92.011** Dining room of single-family (private) house as the place of occurrence of the external cause
- **CODE: Y93.62** Activity, American flag or touch football

**SHOPPING SHENANIGANS**

- **CODE: Y04.2XXA** Assault by strike against or bumped into by another person, initial encounter
- **CODE: W52.0XXA** Crushed, pushed or stepped on by crowd or human stampede, initial encounter
