

Transparency and Disclosure for ONC Health IT Certification Program

I. Disclaimer

This EHR Module, PatientKeeper, is 2014 Edition Compliant for the criteria listed below and has been certified by an ONC-ACB in accordance with the applicable certification criteria adopted by the Secretary of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services

II. Certified EHR Vendor and Product Information

Vendor Name	PatientKeeper
Version Number	8.3
Certification Number	14.04.04.2142.Pati.01.01.1.171219
Certification Date	12/19/2017
Additional Software Required	FirstDataBank, Intelligent Medical Objects (IMO), IMO Problem (IT)

PK Certification of 2014 Edition Criteria	Required PK Products
Computerized Provider Order Entry 170.314(a)(1)	CPOE
Drug-Drug, Drug-Allergy Interaction Checks 170.314(a)(2)	CPOE
Demographics 170.314(a)(3)	Physician Portal
Problem List 170.314(a)(5)	Physician Portal
Medication List 170.314(a)(6)	CPOE
Transitions of Care-Receive, Display & Incorporate 170.314(b)(1)	Physician Portal
Electronic Prescribing	ePrescription
Security 170.314(d)(1-9)	Physician Portal
Smoking Status 170.314(a)(11)	Physician Portal
Clinical Information Reconciliation 170.314(b)(4)	Medication Reconciliation
Incorporate Lab Tests and Values/Results 170.314(f)(4)	Physician Portal

Transmission of Reportable Lab Tests & Values/Results 170.314(b)(5)	Physician Portal
Electronic Notes 170.314(a)(9)	NoteWriter
Drug Formulary Checks 170.314(a)(10)	CPOE
Image Results 170.314(a)(12)	Physician Portal
Advance Directives 170.314(a)(17)	Physician Portal
Transmission of Electronic Lab Tests & Values/Results to Ambulatory Providers 170.314(b)(6)	Physician Portal
Automated Numerator Recording 170.314(g)(1)	Physician Portal
Safety-Enhanced Design 170.314(g)(3)	Physician Portal
Quality Management System 170.314(g)(4)	Physician Portal

III. Transparency and Disclosures

Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.

PatientKeeper's clients would incur no additional costs nor limitations either to meet meaningful use objectives and measures or to achieve any other use within the scope of the Health IT Module's certification.

Costs and Limitations of Certified Health IT

Capability	Description of Capability	Costs or Fees <i>Types of costs or fees that a user may be required to pay to purchase, license, implement, maintain, upgrade, use, or otherwise enable and support the use of the implementation or use of the capability -OR- in connection with the data generated in the course using the capability</i>	Contractual Limitations <i>Limitations of a contractual nature (including developer policies and other business practices) that a user may encounter in the implementation or use of the capability -OR- in the connection with the data generated in the course of using the capability</i>	Technical or Practical Limitations <i>Limitations of a technical or practical nature that a user may encounter that could prevent or impair the successful implementation, configuration, maintenance, support or use of the capability -OR- prevent or limit the use, exchange or portability of any data generated in the course of using the capability</i>
Computerized Provider Order Entry 170.314(a)(1)	CPOE	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Drug-Drug, Drug-Allergy Interaction Checks 170.314(a)(2)	CPOE	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Demographics 170.314(a)(3)	Physician Portal / Clinical Results Viewing	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Problem List 170.314(a)(5)	Physician Portal / Clinical Results Viewing	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Medication List 170.314(a)(6)	CPOE / Clinical Results Viewing	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Transitions of Care-Receive, Display & Incorporate 170.314(b)(1)	Physician Portal / Clinical Results Viewing	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.

Security 170.314(d)(1-9)	Physician Portal	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Smoking Status 170.314(a)(11)	Physician Portal / Clinical Results Viewing	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Clinical Information Reconciliation 170.314(b)(4)	Medication Reconciliation	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Incorporate Lab Tests and Values/Results 170.314(f)(4)	Physician Portal / Clinical Results Viewing	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Transmission of Reportable Lab Tests & Values/Results 170.314(b)(5)	Physician Portal	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Electronic Notes 170.314(a)(9)	NoteWriter / Provider Documentation	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Drug Formulary Checks 170.314(a)(10)	CPOE	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Image Results 170.314(a)(12)	Physician Portal / Clinical Results Viewing	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Advance Directives 170.314(a)(17)	Physician Portal / Clinical Results Viewing	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.

Transmission of Electronic Lab Tests & Values/Results to Ambulatory Providers 170.314(b)(6)	Physician Portal	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Automated Numerator Recording 170.314(g)(1)	Physician Portal	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Safety-Enhanced Design 170.314(g)(3)	Physician Portal	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
Quality Management System 170.314(g)(4)	Physician Portal	Additional costs beyond license fees may include integration software licenses and services, hardware, professional implementation and training services and remote system monitoring maintenance and support.	No contractual limitations	No technical or practical limitations.
